Please complete the following questions. We will contact you to schedule a meeting at your agency to review the information and help you with ideas as needed.

1. Is there enough to keep a team busy for ALL of their scheduled time at your agency? Please remember Youth Volunteers can accomplish a lot so it helps to underestimate the time it will take to complete each task and overestimate how much work you should plan for the team. Use the space below to map out the tasks.

Monday	Tuesday	Wednesday	Thursday
AM	AM	AM	AM
PM	PM	PM	PM

2. Will the project be affected by inclement weather and if so, what's the rain plan?
3. It's very important that our youth understand what your agency does and why. The YVC Team Leader will plan service-learning lessons, but we also want to hear from the experts. What can you offer in terms of education (speakers, tours, etc.) that tells your story?
4. After a long hard week, Youth Volunteers love to be recognized for a job well done. What can you offer in terms of recognition? Many agencies serve lunch on the last day, which is greatly appreciated, but of course feel free to choose something that works for you.
